– LIAN –

A charming young lady with a sparkling personality and personable in all the right places, Lian is Scottish — and very sweet. She lives near Edinburgh, has a boyfriend who is in the music business and a cat who isn't. 5'4" tall, 35-23-35 and 20 years old — for those of you who worry about such things. She's been modelling off and on for a couple of years now, though not a lot of it glamour. Feast your eyes and feed your fantasies . . .

Oh ye of little brain cells, surely you remember Marianne from Knave 17/4? Our 'dream sequence' Amateur, 21 years old, 35-23-35 and from Humberside. Or does she drive a Humber? It's the Editor's handwriting, you see . . .

Anyway, here she is having lunch with Peregrine — who happens to be under the influence (and table) at the moment. How is the poor girl to amuse herself? All the other guests have gone and she hasn't even come yet! It's tough at the top . . .

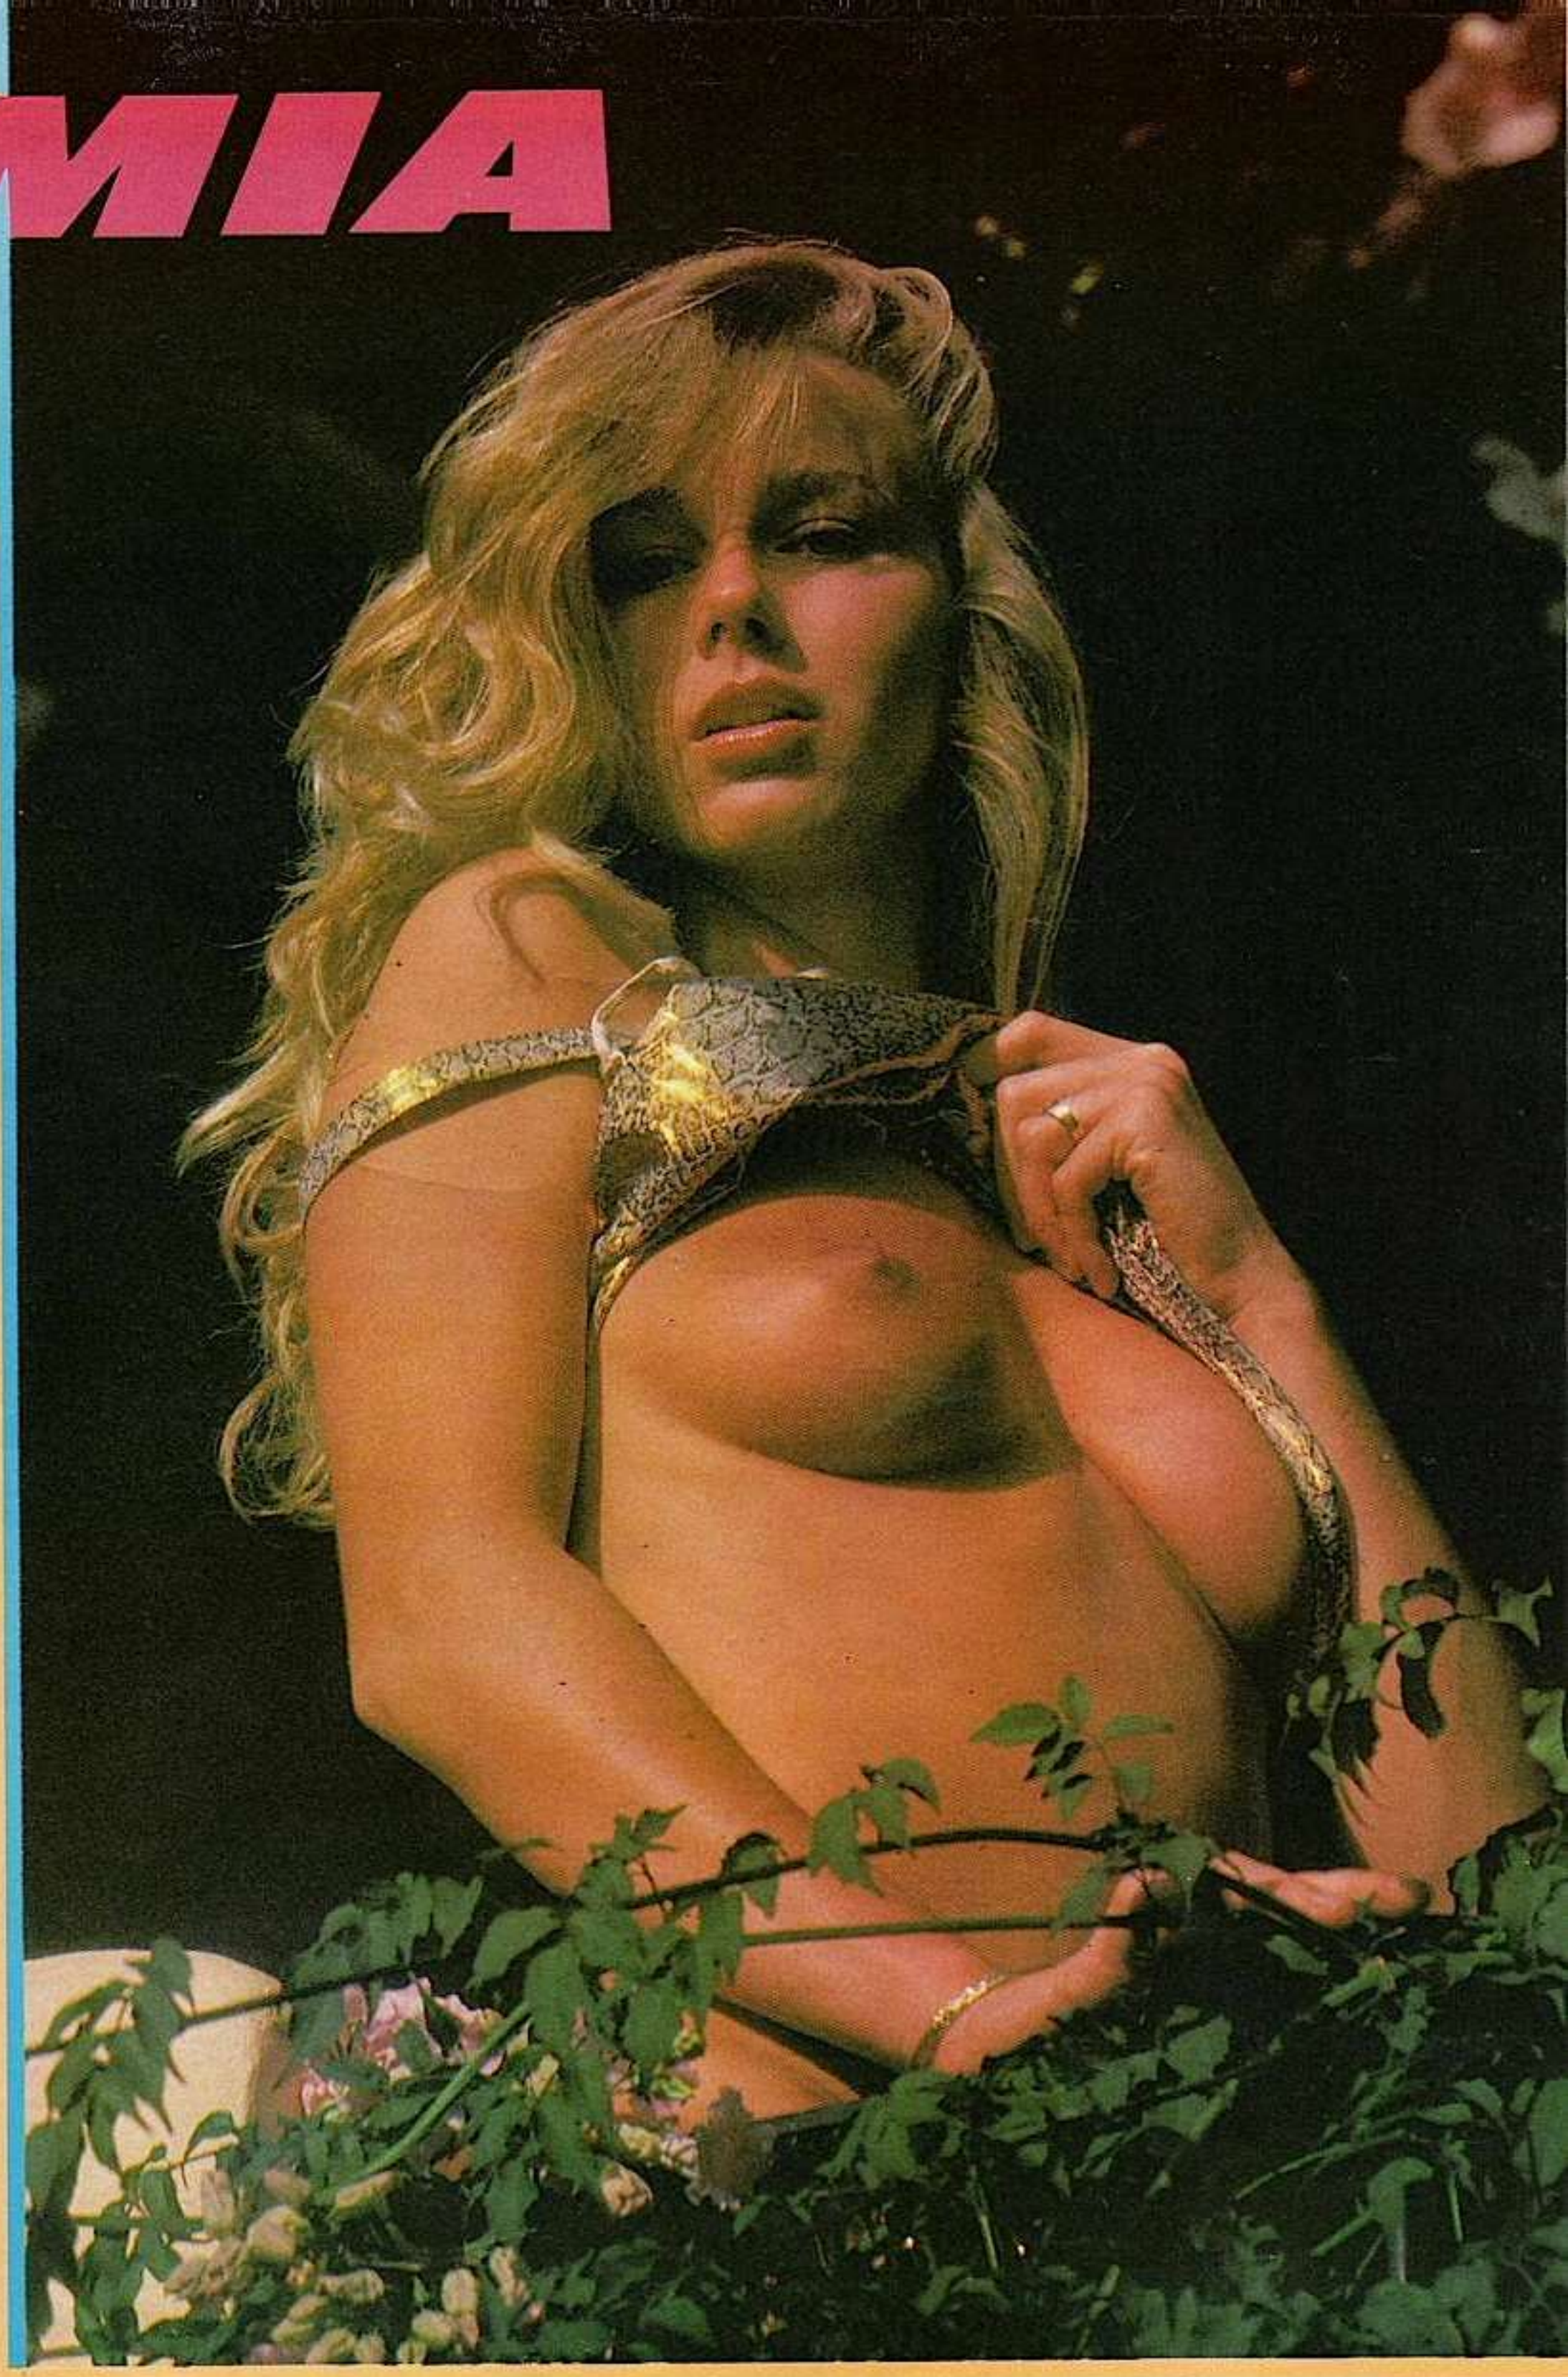
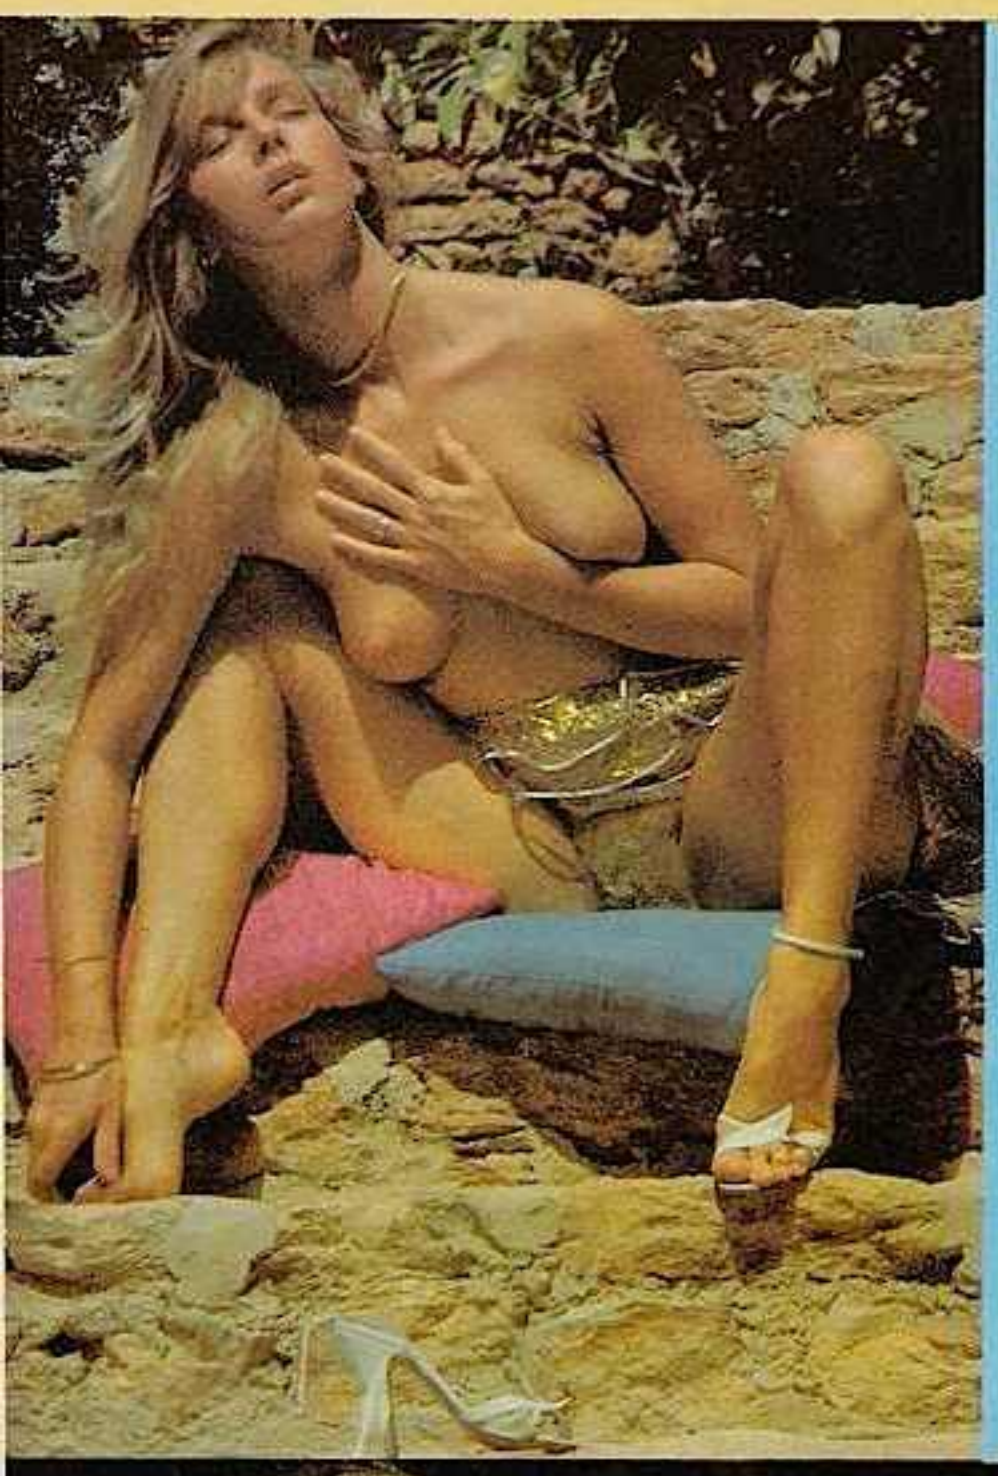
MIA



"You want to *pay* me for pictures like this? No, this is fine, I am not minding — I am wearing less than this on the beach, yah?"



Or if you prefer: — Confessions of a Swedish Hairdresser. Mia is 21 years old and found herself modelling because of 36-24-36 . . .

Other factors include a smooth talking photographer and a naturally exhibitionistic streak. She's also got very nice hair . . .

Here is the last, but not the least, contender in our Knave Amateur Model Competition '84/'85. Rachel is 22 years old, 34-22-34, 5'4" tall and comes from Brighton – though she now lives and works in London. She trained as a Lab Assistant (for a 'Big Oil Company') before getting a job in a Chemist's. Modelling? "Something I've always wanted to try – I loved it." More? "Oh, yes please!" Done – you'll be seeing more of Rachel soon.

Meanwhile, we'll still be having our regular Amateur Model feature, even though the competition is now closed. Next month we'll announce the winner and in the following months we'll publish 'reminders' of the other contestants — so you can vote for **your** favourite. This will win her a week's 'Winter Holiday in the Sun' — and could win **you** a prize as well!

SERENA

PHOTOGRAPHED BY K.K. JONES

Here is a victim, rescued in the very nick of time. She once did a set for another magazine. She was not impressed. "Look!" she said to the Editor (who did). "Don't call me 'Mary', don't say I come from Shrewsbury, and for goodness sake — get my measurements right; 36-24-36. Okay?" Then she put him down and let him scurry back to his bottle; beaten but not whipped

Serena comes from Bath and is 20 years old. Now that she has worked with us, she might very well consider modelling again. Indeed she's already consented to do an Editorial shot for Fiesta, hanging from a pair of rings (count the blisters!) Hope she keeps it up. Nice lady — could go far . . .
